

# C&C MFG *IMPACT-5*

**IMPACT 5 CAR CRUSHER**  
**Front View**

**C&C Impact 5 Revolutionary Quad-Post Guide System**  
The key to the Quad-Post system is the equal distribution of the crushing force to the four corners of the crushing lid. The crushing lid is connected to the four sliding guides by heavy-duty pivot lugs mounted on each corner. The stress is distributed equally across the guide posts, sliding guides and pivot lugs, giving the Impact 5 greater stability and durability.

**Back View**

## **High Strength Back Wall**

The back wall has been designed incorporating high strength steel, which provides you with a solid backboard for positioning vehicles during loading and unloading. High strength steel accounts for over 25% of the Impact 5's 57,700 lbs. (26,173 kg.) This makes the Impact 5 lighter as well as stronger.

## GENERAL SPECIFICATIONS

### Standard Features

Completely Portable - Automatic Cycling Manual or Remote Radio Control  
 One Man Operation - Hydraulic Landing Gear Oil Recovery System - Overload Sensitivity Quad-Post System = Lower Loads

### Impact 5 Car Crusher (Nominal) Dimensions

Overall Length	13.1m	43ft.
Travel Height	4m	13ft. 5in.
Travel Width	2.5m	8ft. 4in.
Weight: Overall	26,173kg	57,700 lbs
At Kingpin	11,159kg	24,600 lbs
At Tandem	15,014kg	33,100 lbs
Operating Height	6.1m	20ft. 1in.
Loading Area	2.1m	7ft. Wide
	6.1m	20ft. Length
	2.3m	7ft. 6in. High-Lid
		Fully Raised
	229mm	9in. High-Lid
		Fully Lowered

### Cycle Time

Full Extended = Full Retract of Cylinder 49 Seconds

### Tank Capacities

Diesel Fuel	151 liters	40 Galons
Hdraulic Fluid	454 liters	120 Galons

### Power Unit

Cummins QSB 6.7 6-cyl. Turbo Diesel  
 100hp electric sith VFD Controls

### Warranty

Full machine coverage for two years or 4,000 hours.  
 cummins diesel engine - 5 years/ Unlimited Hours

### Maintenance, Service & Parts

Routine machine service and maintenance points are easily accessible and engineered to be serviced safely and quickly.

Many components or spare parts can be sourced locally. Service will be provided by the full resources of C&C's parts and service departament in the USA.
